Pan Hot Springs now open for weekend swims

The Serrano Pools at Pan Hot Springs are now open on weekends, and will remain open weekends only until Tuesday, June 15, when the daily summer schedule will begin.

The swimming area, located on North Shore Drive northeast of Big Bear City, will also be open on Monday for this Memorial Weekend only.

Pan Hot Springs features two swimming pools, an indoor pool and an outdoor pool. The indoor pool is maintained at a temperature of approximately 80 degrees.

It is filled by warm springs that bubble to the surface in the nearby meadow.

The outdoor pool is filled by overflow from the indoor pool and is usually kept around 70 degrees. The resort also has a hot tub spa which is maintained at 105 degrees.

Pan Hot Springs takes its name from an old resort and hotel that once stood on the site. The pools are named for the Serrano Indians that used the warm springs centuries before civilization came to the mountains.

Weekend hours at the pools will be 10 a.m. to 5 p.m. on Saturdays, and 10 a.m. to 4 p.m. on Sundays. Monday, May 31 (Memorial Day holiday), the pools will be open from 10 a.m. to 4 p.m.
